Dear Concerned Charlotte Business and Civic Leader,

You are one of the first to hear about a new restaurant coming to Charlotte that will undoubtedly be the very first of its kind in our area. Unlike our past ventures, this new restaurant will be a non-profit establishment whose main mission is to generate funds that will uplift the homeless by helping them reclaim their lives.

“**The King’s Kitchen**” is a non-profit restaurant coming to Center City that will help fuel economic vitality in the region by creating jobs and supporting community development. The restaurant will feature healthy comfort food with a local flair and will provide jobs for members of our community who are in need of employment and training but have nowhere to turn. We will partner with Charlotte ministries to deliver meals daily and during holidays to members of our community who are faced with hunger and poverty each day.

The concept for “**The King’s Kitchen**” originated in the inner city of New Orleans, and the **Carolina Panthers** have embraced and supported our plan. In fact, there is consideration for making this a role model for the NFL nationwide.

A select group of Charlotte leaders like yourself are being invited to sponsor our premier fundraising event that will take place at Noble’s Restaurant on Thursday, June 12, 2008. The evening will include a private dinner served by the **Carolina Panthers** and a live auction featuring some unforgettable and unique items and experiences.

Enclosed you will find more details on “**The King’s Kitchen**,” along with sponsorship levels and information on our mission and plans. We want to thank you in advance for your consideration and support for this groundbreaking restaurant concept. Together, we can not only contribute a new, incredible restaurant to the community, but also use its success to feed those less fortunate.

We will personally follow up with you to discuss your potential involvement in this incredible evening – and more importantly in what’s to come as we break bread together to introduce “**The King’s Kitchen**.”

Sincerely,

Jim Noble

“The King’s Kitchen”

An outreach of Restoration Word Ministries

“To Feed the Hungry & to Heal the Brokenhearted”

“The King’s Kitchen” is a not for profit restaurant that fuels economic vitality and growth in Charlotte’s Center City and the greater metropolitan area creating jobs and supporting community development. This will be done by working together with businesses, ministries, non-profits and people of faith to employ, train and minister the gospel of Jesus Christ to troubled youth, rehab graduates and other members of our community who are in need of employment. The King’s Kitchen will operate as a public restaurant, serving local, healthy, comfort food at a medium price point.

With the mandate from the Word of God to feed the poor, The King’s Kitchen concept is designed to help those in need in a variety of ways.

First, the restaurant will employ a segment of our community that is considered unemployable, from people who have come out of prison and rehab, to youths that are at high risk from dropping out of school. Once employed, they will receive training to run a full service restaurant from the front of the house to the back. They will also receive leadership and spiritual training as well in order to gain the life skills that are necessary to be successful in today’s job market. In this supportive environment those once at risk for failure are poised for success.

Secondly, the profits from The King’s Kitchen will provide funds for established feeding centers in the community to continue providing meals for those in need in our community. Designed to operate profitably, all profits will be used to help feed the hungry here in Charlotte, surrounding areas and in other parts of the world.

The King’s Kitchen is a new recipe to help fight hunger around Charlotte and the world and is an outreach of Restoration Word Ministries. RWM was founded by Jim and Karen Noble in 1998 and began with a radio teaching ministry focused on the healing power of God. Through the years the ministry has grown and expanded with a partnership with Jim Noble Restaurants to feed the hungry in several counties of N.C. each Thanksgiving. Recently the ministry has been able to expand to feeding people weekly because of partnership with Hoskins Park Ministry. With the addition of The King’s Kitchen the dream of feeding God’s sheep daily will become a reality.

Vision for “The King’s Table”

“To Feed the Hungry & to Heal the Brokenhearted”

“The King’s Table” is an outreach ministry of Restoration Word Ministries and its purpose is to feed the hungry, the poor, and those in need. “The King’s Table” will partner with other Charlotte ministries with established food outreaches to deliver meals daily, weekly and during holidays.

Vision for “The King’s Kitchen”

“The King’s Kitchen” is a not for profit restaurant that fuels economic vitality, growth in Charlotte’s Center City and the greater metropolitan area creating jobs and supporting community development. This will be done by working together with businesses, ministries, non-profits and people of faith to employ, train and minister the gospel of Jesus Christ to troubled youth, rehab graduates and other members of our community who are in need of employment. By helping the disenfranchised, this restaurant will become a jewel of the city. It will operate in the spirit of excellence by training, equipping and sending out developed leaders into our community.

“The King’s Table” will operate as a public restaurant, serving local, healthy, comfort food and the profits and proceeds from “The King’s Kitchen” will go toward the mission of “The King’s Table.”

Foundation Scriptures:

Luke 7:22

22 So He replied to them, Go and tell John what you have seen and heard: the blind receive their sight, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised up, and the poor have the good news (the Gospel) preached to them.

Gal 2:10

10 They only [made one stipulation], that we were to remember the poor, which very thing I was also eager to do.

James 1:27

27 External e religious worship [f religion as it is expressed in outward acts] that is pure and unblemished in the sight of God the Father is this: to visit and help and care for the orphans and widows in their affliction and need, and to keep oneself unspotted and uncontaminated from the world.
